

**FN801
CUBE**
Smart Fan and
High Efficiency

Technical Details of Smart Fan FN801-Cube

| | | |
|-----------------------|---------------------|-----------------------------------|
| Features | Voltage | 220 VAC 50Hz |
| | Power | 15 w |
| | Communication | 2.4GHz WiFi |
| | Air duct size | 97 mm |
| | Weight | 4.3 kg |
| Air distribution | Type | Sirocco type fan, brushless motor |
| | Fan voltage | 24 VDC |
| | Air flow | 152 CMH (90 CFM) |
| | Air pressure | 145 Pa |
| | Maximum noise level | 41 dB(A) |
| Filtration system | 3-layer air filter | |
| | Pre Filter | |
| | Carbon Filter | Carbon 187x202x9 mm |
| | HEPA Filter | H13 187x202x60 mm |
| Operating environment | Temperature | 0°C to 60°C |
| | Humidity | 5%~95% |

Control System

| Models | Remote | WiFi |
|-------------------|--------|------|
| FN801-Cube-remote | 0 | - |
| FN801-Cube | 0 | 0 |
